The Appellants representative is here. He mentioned that he has paid the sub-lease amount totalling Rs.2.48 Crores. Since the issue has been sorted out this Appeal has now become infructuous.

The Learned Advocate of BIADA agreed and mentioned that the Appellant had already filed a letter dated 03rd May 2016 for withdrawal of this Appeal.

In light of the above, and in light of the order of the MD dated 02nd June 2016, withdrawing his

cancellation order, I find that this Appeal is now
infructuous and the same is dismissed as withdrawn.
