This is an Appeal filed by the Appellant against the order of the BIADA vide which BIADA had allotted the land to M/s Barauni Gas. This unit was earlier belonging to M/s Modern Chemicals. M/s Modern Chemicals was not only a defaulter of BIADA but also a defaulter of BSFC.

The Appellant has not been filing his presence for many years now. Since 2014 numerous notices were issued to him but he chose to remain absent.

As per the Learned Advocate of BIADA, it so happened that BIADA auctioned the land to a new allottee called M/s Barauni Gas and the BSFC allotted the land to another allottee called M/s Tirupati Industries (the Appellant).

The two new allottees therefore had a dispute which after the intervention of the Hon'ble High Court was referred to the Chief Secretary.

The Learned Advocate further mentioned that as a result of the intervention by the Bihar Govt., it was decided that the new allottee M/s Barauni Gases shall clear the dues of BSFC also. The Learned Advocate of BIADA confirms that the M/s Barauni gases had cleared the dues of BSFC also and is now having the peaceful possession of the plot.

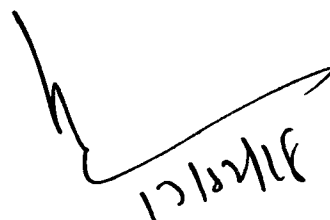

That be the case, I find no reason to interfere with the Status Quo.

Appeal Dismissed.
